

# Gold Interpretive Test

**Skate Canada Policy** - states that a skater who has met a minimum test standard (Gold Dance/Skills or Freeskate) may apply to take the Gold Interpretive test without passing any previous Interpretive tests. The skater (or Club) must request special permission from Skate Canada (in writing) and the decision to allow the test will be made on a case-by-case basis.

**Skate Canada – Alberta-NWT/Nunavut Procedure**

That in the case of a skater wanting to bypass a lower level test and proceed directly to the Gold Interpretive Test (s) the skater shall:

1. Have passed the complete Gold Free Skate Test **or** passed the Gold Skating Skills **and** complete Gold Dance Tests.
2. To be submitted by the Club Test Chair in writing to the Section Office no later then thirty (30) days prior to the test day date. The Section office will forward the submission to Skate Canada.
3. The written submission should include the skaters name, Skate Canada registration number, tests passed and rationale/circumstances surrounding the test.
4. All fees are paid for the Gold test as well as any tests that are skipped (ie. Intro, Bronze and Silver).
5. The skater will be eligible to receive an Alberta-NWT/Nunavut Section Gold certificate for Interpretive.
